

Appl. No. 10/807,210
Amdt. Dated Feb. 14, 2005
Reply to Office Action of Jan. 13, 2005

Remarks

Election/Restrictions

In the Office action, Examiner states that claims 1-13 belong to Group I and claims 14-21 belong to Group II, which are distinct, each from the other. Applicant is required under 35 U.S.C. 121 to elect a single disclosed invention for prosecution.

In response to this restriction requirement, applicant hereby elects without traverse the invention of Group I, which includes claims 1-13. Applicant accordingly withdraws claims 14-21 without prejudice.

The elected claims are believed to clearly represent a patentable advance over the prior art and Examiner's favorable action is earnestly solicited.

Respectfully submitted,

Chen, Ga-Lane
